BITZER SCHOLARSHIP CEREMONY

HO CHI MINH CITY UNIVERSITY OF TECHNOLOGY AND EDUCATION

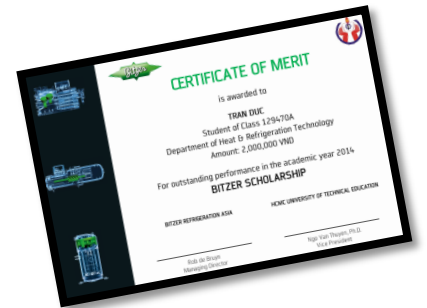

“EDUCATION, TECHNOLOGIES AND SOLUTIONS FOR THE FUTURE”

BITZER in Asia continues its support of technical education of young engineers at a recent Scholarship award ceremony held on the 28th October, 2014 at the Ho Chi Minh City University of Technology and Education.

The ceremony was attended by 180 students of the Engineering faculty, Professor Dr. Hoang An Quoc gave a motivating speech to the students on the benefits of higher education and the pursuit of excellence in engineering. BITZER is proud to support the University each year with a BITZER scholarship programme and this year could provide 10 scholarships towards higher education in Refrigeration Technologies in Vietnam.

BITZER Vietnam General Manager, Ngo Quang Truong gave a technical presentation titled "BITZER Screw Compressor Technology Seminar" focused on the design of systems and application using the features of BITZER screw compressor technologies.
